

## NOTICE

Notice is hereby given, pursuant to Section 16-50I(g) of the Connecticut General Statutes, of a public information meeting to be held at the Darien Town Hall, auditorium, located at 2 Renshaw Road, Darien, CT 06820 on Thursday May 22, 2014 from 7:30 to 9:00 pm. The public information meeting is in furtherance of a technical report on file with the Town of Darien for a proposal by New Cingular Wireless PCS, LLC ("AT&T") to construct a wireless telecommunications tower facility (the "Facility") at the Ox Ridge Hunt Club, 512 Middlesex Road in the Town of Darien owned by the Ox Ridge Hunt Club (the "Property"). The proposed Facility, designed as a silo with related equipment, is proposed in the southwestern section of the parcel adjacent to the indoor riding arena and is proposed to extend to an overall height of 120' above grade. The Facility is proposed to allow AT&T to provide wireless service in Darien. At the meeting, AT&T's representatives will discuss the need for the Facility, the location of existing surrounding facilities, alternatives considered, and identify the potential environmental effects of the proposed facility including visibility of the tower Facility. This public informational meeting is being conducted at the request of the Town of Darien in advance of a formal application to be filed with the State of Connecticut Siting Council which has jurisdiction over wireless tower facilities.
